**CINTA GARE**

The fabulous **Cinta Gare** whose credits are amazing will be taking the **DANCE** Workshops at Dance Spectacular for 2015.

Cinta is managed by Jeep Management and has had many years of training under the likes of Jason Winters, Juliette Verne & Rosa Agius, just to name a few. She appeared in The Great Gatsby and has danced on X Factor (Season 5), Back-up Dancer for Meghan Trainor, Red Foo, Dance Academy, AACTA Awards – Olivia Newton-John, TV Week Logie Awards, Australia's Next Top Model Finale, Mardi Gras – Paulini and Justice Crew Film Clips. Cinta has worked with Choreographers such as Marko Panzic, Jason Gilkison, Sally Hare, Kate Wormald, Rhys Bobridge and Jason Winters; the list goes on and on.

What this distinguished, guest choreographer/dancer will be offering at the Workshops is exploring the foundations of dance technique and style, but most of all, the fun and joy of which dance can bring! The students will be taken through a warm up with a few different exercises that may not usually be taught in a day to day dance class and then they will finish off learning a short routine to really let their hair down. The aim of these workshops are to provide the students with new found knowledge and create an outlet to have fun, build self-confidence and in return elevate the support for one another (and hopefully thereafter within the dance community).

I must mention that Cinta is a "Coastie" and trained with Simone's School of Performing Arts for 11 years, well done to both Teacher and Student.

We hope to see every student (over 8 years of age) getting involved in this special one-off event. The Workshop/s will be divided into age groups (depending on numbers) and will be held on Saturday morning (3/10) depending on timetabling. The Workshop will go for approximately 1 ½ hours. You can book through Comps On-line when you are entering the Eisteddfod.

**If any of the competitors wish to bring along a friend to the Workshop, even if they are not entered in the eisteddfod that is not a problem at all just change the amount to \$20.00 (\$10 per student) and drop me an email to let me know their name and age.**

**DON'T MISS OUT ON A FABULOUS OPPORTUNITY TO BE TAUGHT BY SUCH AN AMAZING AND TALENTED YOUNG LADY.**
